

THE SCARF PROJECT

Made with love. Worn with pride.

More than 650 Special Olympics athletes will “go for gold” in St. Albert and Jasper at the 2012 Special Olympics Canada Winter Games, running February 28 to March 3. Joining them, hundreds of coaches, volunteers, families and fans.

We invite you to put your needles and hooks to work for a great cause! Show them support by hand-knitting or crocheting a cozy scarf, one that will become a treasured keepsake well after the Games come to a close.

Our goal: to gift 2500 scarves to these exceptional athletes, their families and supporters, coaches and volunteers!

TO BEGIN

1. Pick up your yarn in wool, wool- or acrylic-blends at a local retailer or online store.
2. Knit or crochet one or more scarves in blue and white to a size of 7 inches wide and 6 feet long. Consider adding a splash of “maple leaf” red!
